Childrens book : Fairy and the fathers love in New Year Night - Bedtime reading FREE FOR KINDLE UNLIMITED NOW For many parents, curling up with a book for a bedtime story with their kid is a daily ritual. For others, it is the perfect time to spend time with their children after a busy day, and for some, it is something they should do but are not entirely sure why. Discover these benefits of bedtime stories for kids. Sharpen their brains Research shows that one of the greatest benefit of interacting with children, including reading to them stories, is that children learn a great deal of things- from improved logic skills to lowering their stress levels. Bedtime stories rewire the brain of a child and quicken their mastery of language. Their vocabulary repertoire is expanded and their listening and oral communication skills enhanced. Enhance creativity and Stimulate imagination If you are a good storyteller, then you should teleport your kid to a different realm- from reality to fantasy for the child to learn the difference between these two. This will enhance and stimulate his imagination. Emotion development The kid will learn to experience different emotions while empathizing with the characters of the story. The common emotions of sadness, happiness and anger may be encountered and he will learn to control these in real life.

No fathers?!) found that only 64% of respondents said they read their children Too much on at night? Theres no law that says you can only read to kids at bedtime.
