

# Tell es-Saidiyeh: Excavations on the Tell, 1964-1966 (University Museum Monographs)

The findings from the excavations (1964-1966) at a prominent mound in the central Jordan Valley are described by the excavator. Strata of occupation extend from the late ninth century B.C. through the Roman period. Each is described in terms of its architecture, pottery, and other artifacts. University Museum Monograph, 60
