The first volume of the celebrated Deverry series, an epic fantasy rooted in Celtic mythology that intricately interweaves human and elven history over several hundred years. In a world outside reality, the flickering spirit of a young girl hovers between incarnations, knowing neither her past nor her future. But in the temporal world there is one who knows and waits: Nevyn, the wandering sorcerer. On a bloody day long ago he relinquished the maidens hand in marriage and so forged a terrible bond of destiny between three souls that would last through three generations. Now Nevyn is doomed to follow them across the plains of time, never resting until he atones for the tragic wrong of his youth
