

Dark Heir: A Jane Yellowrock Novel

Shapeshifting skinwalker Jane Yellowrock is the best in the business when it comes to slaying vampires. But her latest fanged foe may be above her pay grade. For centuries, the extremely powerful and ruthless vampire witches of the European Council have wandered the Earth, controlling governments, fostering war, creating political conflict, and often leaving absolute destruction in their wake. One of the strongest of them is set to create some havoc in the city of New Orleans, and its definitely personal. Jane is tasked with tracking him down. With the help of a tech wiz and an ex-Army ranger, her partners in Yellowrock Securities, she'll have to put everything on the line, and hope it's enough. Things are about to get real hard in the Big Easy.
