

Down and Dirty (Colson Brothers Series Book 1)

Joe has spent the last nine years serving his country. For the last three years his half brother has written to him about this bartender named Carly. As he reads these letters she becomes more real in his head causing him to wonder if she's as perfect as she sounds. Carly is perfectly happy serving drinks to rowdy bikers. She respects the club, but keeps them at arms length. That is until Joe drops in and changes everything. She discovers a new world of family, love, loss, and betrayal, that bind her to a club, and a man, who become the family she never imagined possible.
