

Dawn Powell: Novels 1944-1962 (Library of America)

For decades after her death, Dawn Powell's work was out of print, cherished by a small band of admirers. Only recently has there been renewed awareness of the novelist who was such a vital presence in literary Greenwich Village from the 1920s to the 1960s. With these two volumes, The Library of America presents the best of Powell's quirky, often hilarious, sometimes deeply moving fiction. Dawn Powell was the tirelessly observant chronicler of two very different worlds: the small-town Ohio of her childhood and the sophisticated Manhattan to which she gravitated. If her Ohio novels are more melancholy and compassionate in their depiction of often frustrated lives, her Manhattan novels, with their cast of writers, show people, businessmen, and hustling hangers-on, are more exuberant and incisive. But all show rich characterization and a flair for the gist of social complexities. A playful satirist, an unsentimental observer of failed hopes and misguided longings, Dawn Powell is a literary rediscovery of rare importance.

All about Dawn Powell: Novels 1944-1962 (Library of America) by Dawn Powell.
