

The word alpha sends a shiver through every woman's body. The taboo of BDSM conquers her fantasy. The desire is growing... Ruby Rose wants to write an article on the belief of Domestic Discipline and its growing popularity. In order to do it well, and come across as genuine, she decides she must immerse herself in the lifestyle. She starts working as a bartender at a trendy BDSM club in hopes of compiling all the research she needs. But everything changes the minute Evan Steel walks through the door. Evan Steel represents this life. He lives this life. He is this life. Evan is the man with all the answers, and due to a budding relationship, Ruby has the walking fantasy right at her fingertips. But what Ruby soon discovers is that Evan Steel may very well be more than just a fantasy.
