

## The Therapist (The Taboo Trilogy) (Volume 1)

Dr. Deni Mathews has worked as a Mistress in a house of sin to put herself through University. She has done her final nights work before she opens her own private practice specializing in Marriage Counselling. She is going to save each screwed up marriage one orgasm at a time. Her clients include high profile professionals who can afford her expertise. The only question is - How much would you pay to save your marriage? What would you be willing to do to stay with the one you love? But can Dr. Deni Mathews move past her own history, when handsome Glenn Stone walks through her door?
