

The Cracked and Silent Mirror

Jennifer Michaels takes her baby and hides when she finds out that her husband Kevin has broken his wedding vows. Afraid of rejection and censure, she refrains from sharing her problems with relatives. **THE CRACKED AND SILENT MIRROR** is a novel about learning to cope with a seemingly insurmountable problem that indirectly affects more than only Jennifer and Kevin: homosexuality in the family. Jen refuses to divorce Kevin, confident that God intended them as man and wife. She begins to explore her own worth as a woman in the eyes of God. In need of support, she turns to her friend Adam Westerman who encourages her by sharing his own testimony of past sexual brokenness. Kevin has never been certain of his personal value. Now, as he accepts that he is homosexual, he finds approval in the arms of his lover. When his relationship with Neil starts to crumble, he learns God cares for him and wants him back. He and Jennifer each undertake the journey to healing by finding their value in the eyes of God.
