

The Abduction

U.S. Attorney General Allison Leahy is the Democrats best chance for holding on to the Oval Office. But shes running neck and neck with her opponent, Republican Lincoln Howe, a retired four-star general and bona fide African-American hero. Then, days before the election, disaster strikes. Twelve-year-old Kristen Howe, the generals granddaughter, is kidnapped. As the nations leading law enforcement officer, Allison launches a nationwide manhunt even as her opponent publicly questions her motives. For Allison, though, finding Kristen isnt about politics. Its a personal crusade that taps into terrifying secrets buried deep within the past secrets that can shatter all of Allisons hopes, twisting them into a nightmare of lies and the ultimate betrayal.
