

Citadel (Dutch Edition)

Carcassonne, 1942. Terwijl talloze Franse soldaten aan het front hun leven geven om de Duitsers het hoofd te bieden, besluit de dappere jonge Sandrine haar eigen strijd te voeren. Onder de codenaam Citadel brengt ze een groep vrouwelijke verzetsstrijders bijeen. Samen met hen riskeert ze alles wat haar lief is om een einde te maken aan de angst die de Duitse bezetting met zich meebrengt. De vrouwen van de Citadel-verzetsgroep weten nog niet dat ze zich mengen in een strijd die veel ouder en duisterder is dan ze ooit hadden voorzien: de jacht op een eeuwenoude codex die de loop van de geschiedenis radicaal zou kunnen veranderen.

A citadel is the core fortified area of a town or city. It may be a fortress, castle, or fortified center. . For example, during the Dutch Wars of 1664-67, King Charles II of England constructed a .
