

## The Bull from the Sea: A Virago Modern Classic (Theseus Series)

Having freed the city of Athens from the onerous tribute demanded by the ruler of Knossos - the sacrifice of noble youths and maidens to the appetite of the Labyrinths monster - Theseus has returned home to find his father dead and himself the new king. But his adventures have only just begun: he still must confront the Amazons, capture their queen, Hippolyta, and face the tragic results of Phaedras jealous rage. Piecing together the fragments of myth and using her deep understanding of the cultures reflected in these legends, Mary Renault has constructed an enthralling narrative of a time when heroes battled monsters and gods strode the earth.
