

The Sound of Glass

The New York Times bestselling author of *A Long Time Gone* now explores a Southern family's buried history, which will change the life of the woman who unearths it, secret by shattering secret. It has been two years since the death of Merritt Heyward's husband, Cal, when she receives unexpected news: Cal's family home in Beaufort, South Carolina, bequeathed by Cal's reclusive grandmother, now belongs to Merritt. Charting the course of an uncertain life and feeling guilt from her husband's tragic death, Merritt travels from her home in Maine to Beaufort, where the secrets of Cal's unspoken-of past reside among the pluff mud and jasmine of the ancestral Heyward home on the Bluff. This unknown legacy, now Merritt's, will change and define her as she navigates her new life—a new life complicated by the arrival of her too young stepmother and ten-year-old half-brother. Soon, in this house of strangers, Merritt is forced into unraveling the Heyward family past as she faces her own fears and finds the healing she needs in the salt air of the Low Country.

The Sound of Glass has 13673 ratings and 1795 reviews. Carmen said: The Sound of Glass Karen White quite simply never gets it wrong.
