

The Wind in the Willows (Penguin Classics)

One of the most celebrated and beloved works of literature ever written for young readers. Meek little Mole, wilful Ratty, Badger the perennial bachelor, and petulant, boastful Toad: over one hundred years since their first appearance in 1908, they've become emblematic archetypes of eccentricity, folly and friendship. And their misadventures - in gypsy caravans, stolen sports cars, and their beloved Wild Wood - continue to capture readers' imaginations and warm their hearts long after they grow up. Begun as a series of letters from Kenneth Grahame to his son, *The Wind in the Willows* is a timeless tale of animal cunning and human camaraderie. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

When Kenneth Grahame first entertained his son with letters about a petulant character named Toad, he had no way of knowing that his creation together with this hardcover edition of the classic tale of *THE WIND IN THE WILLOWS* has been read and loved by children for generations. Start a new tradition of reading.
