

House of the Hunted: A Novel

Mark Mills, bestselling author of *Amagansett*, *The Savage Garden*, and *The Information Officer*, is renowned for blending riveting history, rich atmosphere, and thrilling suspense. Now, in *House of the Hunted*, Mills deftly unfolds a story of betrayal, love, and the inescapable pull of the past as an ex-spy finds himself drawn back into his treacherous former life. Cote d'Azur, France, 1935: As Europe moves inexorably toward war, Tom Nash feels pleasantly removed, pursuing a quiet writing career on an idyllic stretch of the French Riviera. A former intelligence operative for the British government, Tom now finds refuge among the lively seaside community of expats and artists, hoping to put the worst deeds from his job and memories of the woman he once loved far behind him. But Tom's peaceful existence is shattered when an unknown hit man tries to kill him in his sleep. Tom is sure that somebody knows his secrets, and that this attempt on his life won't be the last. Relying on his instincts for self-preservation, Tom suspects everyone of double-dealing, even people he considers his friends: the Russian art dealers from Paris, the exiled German dissidents, even his former boss and closest confidant. And as he plunges further into his haunted past, Tom feels himself turning into the person he used to be: a dangerous man, capable of anything.
