When Corporal Elijah Russells superb horsemanship is revealed during a firefight in northern Iraq, the young Army Ranger is assigned to an elite Special Forces unit preparing to stage a secret mission in eastern Afghanistan. Elijahs task is to train the Green Berets fiercely loyal to their enigmatic commander, Captain Wynne to ride the horses they will use to execute this mission through treacherous mountain terrain. But as the team presses farther into enemy territory, the nature of their operation only becomes more mysterious and Wynnes charismatic power takes on a darker cast. Ultimately, Elijah finds himself forced to make a choice: on one side, his best friend and his most deeply held beliefs; on the other, a commanding officer driven by a messianic zeal for his mission.
