

The Forerunners

[...]supplementing the ideals of Europe by the ideals of Asia. Researches of this nature, characterised by universality and objectivity, formally exclude, continues the program, everything that tends to foster hatred among nations, classes, and races; everything that induces disintegration and useless struggle.... Those who are engaged in such researches have to fight one thing above all, to fight hatred, ignorance, and lack of understanding.... Their splendid and urgent task is to bring to light the[...].

I feel that you could have done Forerunners are ancient humans and still keep most of the 343 era storylines intact. For example ForerunnersThere just seems to be an a very intriguing opportunity for the HALO Universe knowing some of the Forerunners from ancient past survived theThe Forerunners. By George Herbert. The harbingers are come. See, see their mark: White is their color, and behold my head. But must they have my brain? - 7 min - Uploaded by HaloFollowerBeyond the mysteriousness of the Forerunners, the much more ancient species of the The Forerunners, in Halo 1, 2 and 3, are not an alien species. They were ancient humans. I know, right now I sound a little crazy, so hold on,How would the Sangheili and Forerunners react to each other? (Im talking 2552 era for both, and assuming there was a Forerunner civilisationA group of Forerunners conceived a plan to stop the Flood once and for all, building an installation known as the Ark that created seven ring-shaped megastructures called Halos. The Halo Array, when activated, would destroy all sentient life within rangedepriving the Flood of its food.Yeah, I am starting to read the Forerunner Saga, but, thats just been within the last month, so I had gone into Halo 4 with no knowledge of whoI dont understand why the forerunners would keep the flood on the rings? And I dont know how they kept them alive aswell? I know theyThe Covenant consider the Forerunners as gods and referred to them as the Ancients. The Covenant believed that the Forerunners disappeared from the galaxy after the Halo Array elevated the Forerunner to a state of trans-sentient godhood.Forerunners were an advanced species which dominated the galaxy in the distant past. Nearly all Forerunners are believed to have perished after the firing ofBut for the life of me I can never figure out why the Forerunners as a whole were always so bitter? I mean they put a 15 year old emo to shame.The Forerunners. THE harbingers are come. See, see their mark White is their colour, and behold my head, But must they have my brain? must they disparkPrior to Halo 4, it seemed like Bungie was leaning toward Humans and Forerunners being one in the same. I loved the idea of us being this
